WHY BARGY ENERGY BAR

100% NATURAL

Bargy bars do not contain emulsifiers, preservatives or other harmful food additives.

VEGAN

Bargy bars do not contain animal products.

OMEGA-6

Bargy contains omega-6 fats, the inclusion of which in the diet can help up metabolism.

LACTOSE FREE

Bargy bars do not contain dairy products, which means they do not have neither lactose nor cholesterol.

NO SUGAR ADDED

No white sugar. It is replaced by the natural taste of dates, which gives a natural and healthy sweetness to each bar.

EXCLUSIVE TASTE

Each bar has a unique and unrepeatable taste.

GLUTEN FREE

Relevant not only for people with gluten intolerance, but also for those, who want to keep their weight under control and who want to keep their body in good shape.

WHY BARGY PROTEIN BAR

VEGAN

Bargy bars do not contain animal products.

LESS 1G SUGAR PER BAR

Stevia extract gives sweetness to each bar.

30% PROTEIN

Each bar contains 30% protein, which, together with the absence of white sugar and the absence of animal products, makes the bar unique and unrepeatable in terms of its indicators in the world.

EXCLUSIVE TASTE

Each bar has a unique and unrepeatable taste.

GLUTEN FREE

Relevant not only for people with gluten intolerance, but also for those, who want to keep their weight under control and who want to keep their body in good shape.

LACTOSE FREE

Bargy bars do not contain dairy products, which means they do not have neither lactose nor cholesterol.
