ABOUT COMPANY

NATURPRO is a young, ambitious and dynamically growing company, which has been engaged in the manufacturing of high quality cosmetics for face, body and hair care for 7 years. Over the years of the company's fruitful working the production process has incorporated all components of the infallible success: modern technological base, highly skilled technical staff, the most important scientific researches and ecologically clean raw materials, on the basis of which all products are manufactured. The company has a GMP quality management system and ISO 9001 certification..

The main strategic company brands comprise products for face, body and hair care, which embody the world innovations and actual trends of the cosmetic market's development. The company has actively developed hair and face masks in sachet packaging. Such product format is perfectly suited for a customer's core daily care at home, saving time and money.

NATURPRO company is the expert in facial masks on cream and gel basis manufacturing. Also it is the first company, which has started manufacturing of sheet facial masks in Ukraine.

Products by **NATURPRO** are well-known in the Ukrainian market. A range of our products (especially, masks) has won the leading positions in the national market. High quality European raw materials, attractive design, various product range - all those are advantages, that attract customers and make them loyal to the company's products.

NATURPRO's profile consists of the following brands:

- **BEAUTYDERM** is the main company brand in the category of products for face and body care, which embodies the world innovations and actual trends of the cosmetic market's development.
- **HAIRTREND** - products for professional hair care at home.
- **ELEN Cosmetics** - one of the youngest company's brands is focused on acceptable products for skin cleansing.
- **NATURPRO** is the first brand of the company, the product line consists of only natural components.
- **QUEEN SKIN** - is the youngest trade mark, which is represented by natural body scrubs line, having the most of natural ingredients in their composition.

4820185223119

Peel-off mask
Black, 10 ml

4820185223133

Peel-off mask
Pearl, 10 ml

4820185223126

Peel-off mask
Golden, 10 ml

PEEL-OFF MASKS

BUBBLE MASKS turn into oxygenated foam immediately after application. The mask promotes deep hydration and skin regeneration, improves skin texture and complexion, tightens pores and helps to remove dead skin cells, improves elasticity and rejuvenates the skin.

4820185222044

Bubble mask
Black Bubble, 7 ml

4820185222051

Bubble mask
Mineral Bubble, 7 ml

BUBBLE MASKS

GOLDEN

4820185222631

Sheet mask with honey and propolis extracts, 25 ml

4820185222624

Sheet mask with Colloidal Gold, 25 ml

Golden base

The fabric mask is covered with golden foil on top. Thanks to the foil, the mask has a double greenhouse effect so all useful components do not evaporate into the air, but are stored in the serum, which is impregnated with a fabric base, and penetrates deep into the skin.

BLACK

Black base
Due to **activated carbon** in the serum, it effectively cleanses the skin and normalizes the sebaceous glands activity.

4820185222235

Sheet mask Detox, 25 ml
