## Business Mission of Brandenburg Companies to Estonia (Tallinn and Tartu), 15-19.04.2024

Note for the CCI (to be deleted before posting the profiles online)

During the business mission is interested to make new contacts and possibly partnerships

Would be interested to meet the following:

Institutions and individuals from the agriculture sector active in growing tropical cultures, grain, fruits, vegetables, herbs, garden flowers and plants.

He could possibly be sent to the country fair in Tartu (best accompanied by somebody who knows the fair) to gain the overview of Estonian agricultural sector.

English – interpreter needed.
