#### Company Description:

The INSELHOTEL Potsdam is a 4 star private hotel located in Potsdam. Potsdam and its places of interest as well as its UNESCO- world heritage sites is only a 30 minutes drive away from the centre of Berlin. The INSELHOTEL Potsdam has 88 double rooms and suits and is situated directly on the lake Templin. Through the exclusive location it is ideal for meetings, banquets but also for a relaxing wellness holiday. The INSELHOTEL Potsdam has a restaurant "Seerestaurant" with a distinguished regional & international kitchen, a conference center for events for max. 350 persons and in addition a spa & wellness centre with heated outdoor & indoor pool, floating sauna, various spa treatments rooms and also a pier, marina & swimming platform. We offer unique travel programs for the region Berlin-Brandenburg. With every investment, we pursue sustainability as an environmental policy goal and as an economic goal the reduction of operating costs. Thus, we ourselves produce approx. 50% of our required electrical energy with a combined heat and power plant and enter unused electrical energy into the public grid. We operate LED lighting technology for all lighting systems. Modern frequency converters ensure high efficiency in electrically driven pumps and motors.
