COMPANY PRESENTATION

LINK PLUS IT

"FIRST SOLVE THE **PROBLEM** THEN WRITE THE **CODE**."

WHO ARE WE?

LINKP PLUS IT IS A SOFTWARE DEVELOPMENT COMPANY, SPECIALIZED IN THE DEVELOPMENT OF SCALABLE ENTERPRISE APPLICATIONS. OUR TEAM CONSISTS OF PROFESSIONAL ENTHUSIASTS, CAPABLE OF KEEPING UP WITH ANY CHALLENGE THAT CROSSES OUR WAY.

By using the greatest and most recent technologies and tools, we break any potential technical barriers that an IT company might face. When developing, we create products that are reachable through all platforms (web, Android, iOS, HTML5) and by all clients. In addition to our well-structured coding, we have acquired deep knowledge of the business sector and the nature of its industries in order to decrease the involvement of our clients when building a solution.

With this strategy, and constant hard work, Linkplus-IT has succeeded to penetrate the most competitive market nowadays in only three years. Our work portfolio includes products within four very important industries: airline, auto, travel and telecommunications. By operating both in Prishtina and Skopje, we have broadened the scope of our cooperation and achieved strong partnerships. Simultaneously, Linkplus-IT provides software development services to clients across the globe, including Canada, USA, and Western Europe.

WHAT
WE
OFFER?

WE VALUE AND CREATE STRONG RELATIONSHIPS WITH OUR CLIENTS BY BEING AVAILABLE AT ALL TIMES AND COMMUNICATING IN A PROFESSIONAL, YET FRIENDLY MANNER. IN ORDER TO FULLY UNDERSTAND THE SOLUTION AND GRASP ITS REQUIREMENTS, WE THOROUGHLY DISCUSS IT WITH OUR CLIENTS. BY CAREFULLY GATHERING THE REQUIREMENTS, WE TRANSFORM THEM INTO LONG-TERM SUPPORT AND MAINTENANCE. LINKPLUS-IT IS ALWAYS UP TO DATE WITH THE NEWEST TECHNOLOGIES AND METHODOLOGIES WHICH IS A GREAT ADVANTAGE IN A FAST-MOVING INDUSTRY SUCH AS INFORMATION TECHNOLOGY. WE ALWAYS TRY TO ACCOMMODATE OUR SERVICES BY USING GOOD PRACTICES, ENGINEERING PRINCIPLES AS WELL AS BY FOLLOWING THE SOFTWARE DEVELOPMENT LIFECYCLE.
