

INTERNATIONAL CROSSBORDER PITCHING WIND ENERGY HAMBURG & B2B EXCHANGE EVENT!

We are excited to invite you to a pitching event at the WindEnergy Hamburg Fair!

This event offers a unique opportunity for up to 20 participants from the wind energy sector to present their innovative ideas, companies, services, and projects, and to establish valuable B2B contacts.

Date: September 25th

Time: 15:00 - 16:00

Location: Schleswig-Holstein and Hamburg joint booth,
WindEnergy Hamburg Fair - Hall A4, Booth 239

AGENDA

Welcome and Introduction

- Moderation: Paula Decker and Jenny Dümon (WTSH / Enterprise Europe Network)

Pitching Sessions (40 minutes):

- Each participant has 2 minutes for the presentation (in English)
- Content: company name, presenter's name, brief description of the company/product/service, and interests

B2B Exchange (20 minutes):

- 5x Group-Speed-Date-Networking: Each participant has 4 minutes to exchange business cards and have a brief conversation with other participants

Afterwards, there will be the opportunity to continue networking at the shared booth!

If you would like to participate in our pitching event, please register by (pdecker@wtsh.de).

Please register quickly as places are limited.

We look forward to your participation and to shaping the future of the wind energy sector together!
