Perú Moda and Perú Moda Deco 2019

Perú Moda and Perú Moda Deco is a commercial platform that connects the export offer of fashion and decoration industry with important importing companies from the 5 continents.

At this event you will experience the best Peruvian export offer in manufacturing, footwear, jewelry, gift and decoration items. Also, high quality products, design and industrial capacity that world admires.

2019 XXII Edition

In this edition, there will be activities in benefit of the participating companies such as Product's Exhibition, Business Meetings* and others.

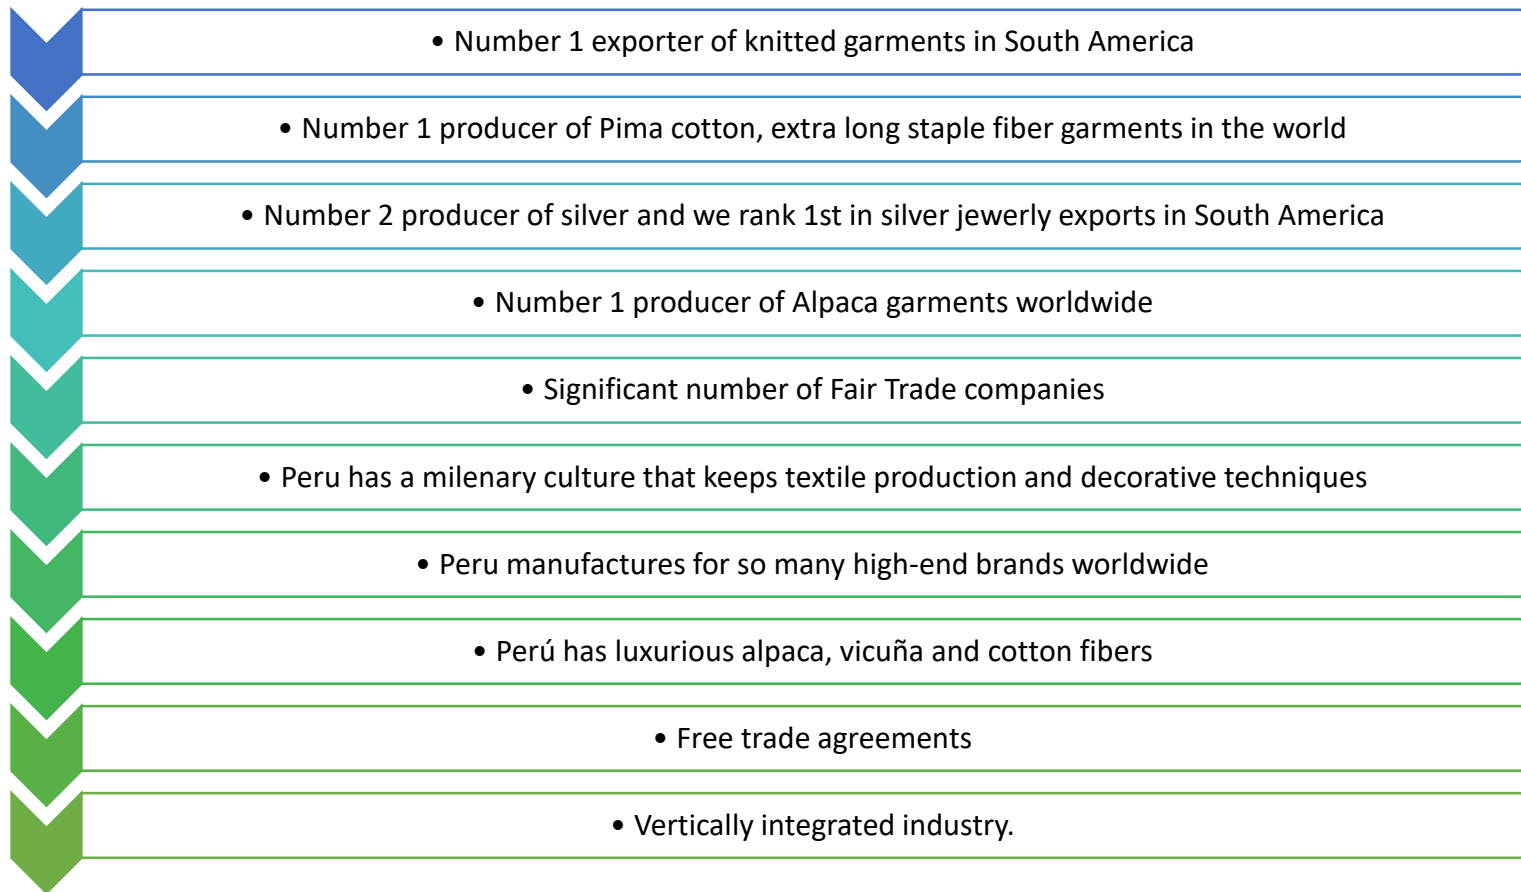

The Business Meetings* are a unique opportunity to gain deeper insights into the evolving Peruvian market while expanding your network and maximizing your time with a customized agenda.

With our digital tool "B2B Matchmaking"*, you can schedule, in advance, business appointments based on your commercial needs and preferences.

* To participate, you will be evaluated first
